Seminars Explained

Stories of Change

A chance to hear the difference being a Christian has made in the lives of individuals - some we know, some we don't yet.

An Evening of Safer Families

As a church, there are a number of us involved in Safer Families. Come along tonight to hear from some people involved in this work, and the difference it is making across our city, region and nation.

Holiness and Humility

Holiness and humility are two things we know we are to grow in through our Christian walks. But what does that mean? Videos and discussion.

Pete Petra and North Church

Two years ago, a team from Loughborough planted a church in the Mowmacre estate in North Leicester. Come along tonight and hear how they are getting on and pray for the spread of the gospel in our city.

Fostering, Adoption and the Christian

There are a number of us who are involved in fostering or adoption in one way or another. This is a chance to hear about what this is like and how we can best pray for and support those involved in both fostering and adoption.

God's Earth: Could we Care Less?

An evening thinking about our responsibilities as Christians to the earth God has given us to steward.

Brandon Nelson - Hold the Rope

There are several in our church who are currently involved in, planning on being involved in, or thinking about going on overseas missions. How can we, as a local church support them best? How can we develop meaningful partnerships with our missionaries abroad?

Anxiety and the Christian

Following on from our morning 'Talking Points' on anxiety, a chance to discuss together some of the issues raised, with testimonies from people who experience anxiety and wrestle with this issue from a Christian perspective.
